ORLEANS' CALENDAR OF WINTER SPORTS TO BEGIN FRIDAY, DECEMBER 27.

Sugar Bowl Classic for January 1—70,000 fans Expected To Pack New Stadium Attendance Has Leaped From 22,000 in 1925—Mississippi Gulf Coast Benefits.

Headlined by the unusual annual Sugar Bowl football classic in New Year's Day, the 1940-41 Calendar of Sports of the New Orleans Mid-Winter Sports Association will open on Friday, December 27, with intercollegiate boxing matches, President A. N. Goldberg announced recently.

Between the boxing matches and the football game on January 1, when 70,000 fans are slated to crowd into Tulane stadium to see the nation's outstanding eleven in action, there will be a tennis tourney of ranking American players; an outdoor track meet with Olympic stars and world record holders; a basketball game between the University of Indiana, National Collegiate Champions and the University of Kentucky, Southeastern Conference Champions—a preliminary basketball game between the Jesuit Blue Jays and the Holy Cross Tigers, two of the leading high school teams in this section; yachting involving crack skippers of the Gulf area and eight-oared shell rowing contests.

The schedule of events for the 1940-41 carnival of sports follows: Friday, December 27, boxing; Saturday, December 28, tennis; Sunday, December 29, track meet; Monday, December 30, basketball; and Wednesday, January 1, Sugar Bowl classic.

Thousands of requests for tickets to the Sugar Bowl game have already been received, President Goldberg said, one request coming from as far as the Dutch West Indies.

From the 22,026 which saw Tulane and Temple inaugurate the Sugar Bowl game in 1925, attendance has grown by leaps and bounds. Last year, more than 72,000 jammed into Tulane Stadium, the capacity of which has been doubled.

Mississippi Gulf Coast has benefited immeasurably from the carnival of winter sports in the adjacent city over the Louisiana-Mississippi state line. Many visitors from away journey out to the coast while in the big city, others come to the coast on occasion of carnival and benefit by railroad rates. Gulf Coast hotels report a spurt in registrations during the period.

CREDITABLE SHOWING FOR HANCOCK TWO WPA PROJECTS OVER PERIOD

Projects Reach High In Accomplishment—Lunch Rooms And Accumulation of Canned Food Proves Efforts Well Worthy.

The Hancock County W. P. A. School Lunch, Garden-Canning Project has made a very creditable record from April 30th to Sept. 30, 1940, which is shown as follows:

School Lunch gardens of an acre or less, were operated at Catahoula, Sellers, Kiln, Jordan River, Colored, Dedeaux, Gulfview, Edwardsville and at Bay St. Louis for Bay High Unit, and St. Margaret's Daughters' Unit. They produced 4,963 pounds of vegetables not including the sweet potatoes which are to be harvested and the corn which will be used as corn meal. Sponsors of Taylor and Valena C. Jones Units purchased vegetables and fruits to be conserved. Most of the units had peers contributed for canning by sponsors and interested citizens of the communities. The products conserved include: Tomato juice, tomatoes, string beans, butterbeans, corn, soup mixture, okra, turnip greens, carrots, beets, blackberries, tomato sauce, chili sauce, ketchup, relishes, pickles, and pears in many different products. The gardens have supplied fresh vegetables for the preparation of lunches also.

A total of 11,490 quarts of vegetables and stored in the pantries in each school for the preparation of lunches for needy and underprivileged children. The project has employed an average of 36 persons during this period.

The lunch rooms have been improved 100 per cent during the summer by the sponsors, who are, in most instances, the Boards of Trustees. The units in Bay St. Louis are sponsored by P. T. As and St. Margaret's Daughters. They now are more adequately equipped, more attractive, more conveniently arranged, and meet the requirements of the State Board of Health for food-handling establishments. Equipment for dish-washing and sterilization have been installed in each unit.

HOME COMING AT BAY HI

Miss Lucy Weston Crowned Football Queen of Sea-son Dance Follows Game.

Home-coming game of Central Hi School was held on last Friday night at St. Stanislaus College stadium when many spectators filled the large ball park to witness the contest between the teams of Bay High and the Holy Cross Tigers, two of the leading high school teams in this section; yachting involving crack skippers of the Gulf area and eight-oared shell rowing contests.

The schedule of events for the 1940-41 carnival of sports follows: Friday, December 27, boxing; Saturday, December 28, tennis; Sunday, December 29, track meet; Monday, December 30, basketball; and Wednesday, January 1, Sugar Bowl classic.

PRESIDENT FRANKLIN DELANO ROOSEVELT

THE PRESIDENT

REPORTS over radio Tuesday night and the daily press morning following recorded the election of President Roosevelt to a third term, smashing tradition and endorsing both the administration and the President, and a victory for the Democratic party since its nominee, its banner bearer, was elected.

Mr. Roosevelt, according to Thursday's figures, had to his credit 468 of 531 electoral votes.

Reports indicate Democrats have made outstanding gains in both Senate and House.

Popular vote over the country was comparatively close, Mr. Roosevelt—according to late press reports Thursday A. M., 25,694,747 and 21,427,832 for Mr. Willkie.

The President ran far below his ten million vote margin of 1936, when he defeated Mr. Landon, the Republican nominee.

Willkie, the defeated candidate, conceded defeat Wednesday morning.

In a radio address, he accepted the result with "complete good will," and said: "I extend my thanks to the thousands who so generously and wholeheartedly worked for my election in various organizations and supported me personally."

He sent the President a message wishing him "all personal health and happiness."

McNary, who unlike Willkie, conceded the election before retiring, sent the president this telegram:

"Heartiest congratulations. Wishing you all grace and administration all prosperity."

Mr. Roosevelt answered cordially:

"Many thanks for your generous and therefore characteristic message, and I know you and I will work together in the national interest. I heartily reciprocate all your good wishes."

The president's reply to Willkie was:

"Please accept my sincere thanks for your message of congratulation. I greatly appreciate the assurance of your good wishes for my health and happiness which I heartily reciprocate."

Mississippi, with its 9 electoral votes, gave Roosevelt a total popular vote of 946,125; Willkie, 4,737.

Academy Pupils Journey To Phoenix, Louisiana.

On last Sunday, the students of the boarding school of St. Joseph Academy accompanied by ten members of the faculty with Mother St. John in charge and Miss Louise Armstrong, enjoyed a trip to the home of Mr. and Mrs. Albert Schayot at Phoenix, Louisiana.

A special bus was chartered for the day to transport them to Phoenix and upon their arrival there Mr. and Mrs. Schayot served a delicious dinner and threw open their spacious home and made every effort to make this visit the enjoyable occasion it was. The occasion was the birthday of their daughter, Jane, who is a student at the academy, and whose guests the entire group were.

U. S. armed service still are open to men for enlistment.

LITTLE DAUGHTER TO THE STOWERS.

News of the birth at Touro Infirmary on last Wednesday, October 30th of a little daughter, Beverly Sue, to Mr. and Mrs. Sam W. Stowers was received in Bay St. Louis.

Mr. Stowers is county agent and he and Mrs. Stowers have resided in one of the apartments in the home of Miss Vicky Gex for some time.

Before her departure for New Orleans, Mrs. Stowers was the honoree at a stork shower given by Messrs. J. J. Gilmore, Joseph R. Schaff and Cliff Ferrell, which was one of the pretty affairs of the autumn.

The shower was given in the attractive home of Mrs. Ferrell in Breath Lane and was attended by a group of friends of Mrs. Stowers.

PROMINENT PARTY RETURNS FROM TRIP TO LA. HUNTING GROUNDS

Local Group, Accompanied by Guests, Spend Two Days On Pecan Island. Each Individual Gets Quota of Wild Geese and Ducks.

A party of local citizens with prominent out-of-town guests, returned from hunting trip to Pecan Island located in the Louisiana marsh regions of Southwest Louisiana, directly south of the town of Abbeville, where the party made their headquarters, visiting Dr. H. A. Eldredge and family.

They bagged, according to law, their full quota of wild geese and ducks. This was indeed an evident earnest of the success of their trip.

The party, headed by Walter J. Gex, Jr., was composed of Congressman Wm M. Colmer, Federal Judge Sidney Mize, Federal District Attorney Toxey Hall, District Attorney Cliff Cowan, Herbert Parker of Pop-

NATIVE SON OF BAY CITY DIES AT N. O.

Liston A. Gardebled, Sr., Son of Former Mayor, Laid to Rest at New Orleans.

The death in New Orleans on last Thursday of Liston A. Gardebled, Sr., was noted with regret here as Mr. Gardebled was a native of Bay St. Louis, and his father had served as mayor of the city repeatedly, residing here for many years. In addition to serving the city with distinction as its chief executive, he had also served in private business capacity, a contractor and builder to whose credit are many of the major buildings of the city. Under his administration the present city hall was constructed.

Mr. Gardebled had resided at 439 South Telemachus street and was the husband of Mae Gaudet, and son of Mary E. Huber and the late Gaston G. Gardebled, stepson of James W. Burns.

The funeral was held on Sunday November 3, at 2 o'clock from the funeral home of F. Laudemier & Company on North Rampart Street, New Orleans with services at Sacred Heart Church and interment in St. John Cemetery.

The deceased is survived by two daughters, Helen Mae and Eula and three sons, Liston, Jr., Robert and Felix, and two brothers, Gaston G. and Navette, and four sisters, Mrs. L. O. Ard, Mrs. J. G. Bolen, Mrs. Michael Lucie, and Mrs. A. J. Knowles of Savannah, Ga.

The deceased was in his early thirties and his untimely demise is deplored. The family have deep sym-

COAST K. C. INITIATION ON SUNDAY

Many From Bay St. Louis Journeyed to Pascagoula To Attend Initiation Of Class.

On last Sunday a number of members of Pere Le Duc Council of the Knights of Columbus motored to Pascagoula where they attended a state-wide initiation service in which members from councils at Algiers and New Orleans, Louisiana, and Biloxi, Pascagoula, Pass Christian and Gulfport participated.

The initiation ceremonies were preceded by a special mass at Our Lady of Victories Church after the candidates along with Boy Scout troops, a large delegation of nights and two bands paraded from the business district of Pascagoula to Our Lady of Victories Church and where Father J. G. Garas, S. J., of Spring Hill College delivered an excellent sermon.

From mass, the knights marched to the Catholic School building where dinner was served.

The initiation services for a long list of candidates were conducted by the Algiers degree tea headed by Commissioner Joseph P. Skelly.

Attending the initiation were officers from the different councils and State Deputy John S. Cabibi, and from Bay St. Louis, Grand Knight Alden J. Mauffray, T. J. McCaleb, John Buehler, Buddy Garcia, Anthony Trapani, C. J. Gordon, Walter Rhodes, Wallace Camors, Ogden Blaize, Roger Heitzman and Charles Sellers.

ALL SAINTS' OBSERVED IN BAY ST. LOUIS AS CITY GAVE HOLIDAY.

Official Proclamation by the City—Many Visited Cemeteries of Bay City.

Last Friday was proclaimed a holiday by our city fathers on the occasion of All Saints' Day and business in Bay St. Louis was suspended while hundreds of persons journeyed to the cemeteries and with loving care placed beautiful floral offerings on the graves of their departed.

Many persons working and living out of town returned here for the day, and in the afternoon special services were held in St. Mary's and Cedar Rest cemeteries.

Throughout the day throngs of persons visited the cemeteries and viewed the beautiful flowers on the graves.

pathy of friends in Bay St. Louis, as well as elsewhere. To his mother especially, Mrs. Mary Huber Gardebled-Burns, who maintains a home in State street, Bay St. Louis, where with Mr. Burns she makes her home most of the time.

Mr. Gardebled was 32 years of age. He had been ill for a long time as a result of an accident over a year ago and died at Our Lady of the Lake Infirmary, Baton Rouge, La. He was a valued employee of the New Orleans Sewerage and Water Board.

Wallace Chapman former Bay St. Louis and past president of Biloxi Rotary Club in which city he resides was guest speaker of Bay St. Louis Rotary Club Wednesday at the Reed Hotel.

Mr. Chapman told of the Campbell orthopedic hospital at Memphis, Tenn., of which he is a member of the Board of directors, and supported largely by Rotary Clubs of three States.

He said the hospital was the only one of its kind in the world, its services free to crippled men and women. No children were taken because they are provided for by other institutions. However, there were no hospitals free of charge for adults. There are 66 beds. Only prospective patients were taken that surgeons felt certain they could restore in-capacitated men and women to normal and useful lives.

A directorship was offered to Bay St. Louis Rotary.

M. A. Phillips manager Magnolia State Supply Company and E. J. Arceaux were voted new members of the club.

President H. Grady Perkins formally welcomed back to the club George R. Rea after his long siege of illness and absence of several weeks while away recuperating.

Save for the absence of one member called out of town on emergency occasion there was a one hundred per cent meeting. The club has quite a number of new members and is flourishing.

County Agent Sam Stowers of Hancock county and John Craft, of U. S. Railway Mail service, were special guests of members. The Rev. Warwick Aiken of Pass Christian was an out of town guest making his attendance.

There is a spirited contest on. Skipper Camors has invited all Rotarians to a trip on his power, sea-going yacht members have been divided into two sections, the side with least attendance loses and supplies the refreshment for the big party, on board that night. Competition spirit runs high and the result might be a tie—possibly. The "boys" are having lots of fun and will certainly enjoy the outing to be given them by that well-known and popular skipper, R. L. Camors.

MR. ROOSEVELT'S TREMENDOUS PERSONAL POPULARITY.

THERE is no discounting the President's personal popularity. Regardless of party affiliation or failure to disagree on issues there can be no gainsay that President Roosevelt personally is the most popular man in America.

He is a true humanitarian. His love for the children, his active interest in the annual infantile paralysis relief fund, which scores heavily as a success because he sponsors it; his solicitation for the poor and needy, the unemployed, his sympathy and general thoughtfulness are all too well known to be mentioned.

It was Mr. Roosevelt who thought the C. C. C. project would not only take care of the hundreds of thousands of unemployed youth over the country but would provide for them the proper food and, above all, a training for constructive work that would prove of inestimable value.

His promise that no young American shall go across seas to attack the enemy or to aid in foreign entanglement will be made good. Our boys will remain at home, he said; we shall prepare for adequate defense in the event if necessary and that promise will be kept.

Truly a humanitarian, man of sober thought, love for his fellow being, the loftiness of his purpose and character are all elements that combine to make him America's most beloved citizen. This was well proven Tuesday. Many did not vote for him for political purpose and partisan reason, but personally they like him none the less.

America truly has a great President. His name will go down in history accordingly. His story will record that imperishably.

IN THE HIGHWAY BUSINESS.

WHETHER the increased production of automobiles has been responsible for the remarkable development of highways, or vice versa, may be the subject of discussion but no one can dispute the fact that highway construction and maintenance is now the most expensive activity of State governments.

According to figures compiled by the U. S. Bureau of the Census, the proportion of State employes engaged in highway construction and maintenance varied from twenty-four per cent in the West to more than forty per cent in the South, and averages about one-third in all states.

Assumption by State governments of the task of constructing adequate highways for modern motor vehicles has resulted in the creation of large staffs of experts, administrative officials and workmen. In many states highway work is the largest governmental activity.

\$240,000,000 WORTH OF TOYS.

REGARDLESS of the war, it looks like the toy manufacturers of the United States will be ready to lend Santa Claus a helping hand this Christmas.

The toy manufacturers announce that they have \$240,000,000 worth of toys ready for the holiday season, including 100,000 new ones to gladden the hearts of American childhood.

Naturally, national defense preparations are reflected in the new battlefields, airplanes and anti-aircraft guns but the old standbys will be available, including a new doll with a magnetic hand, able to hold whatever is placed in it, and one with a skin that wrinkles, just like a new baby's.

ADVERTISING INCREASING.

A SUBSTANTIAL increase in advertising expenditures is predicted in 1941 by the Association of National Advertisers, based on a poll conducted by the association.

At a recent convention, the National Advertisers found sales expectations high for the coming year. Naturally, most of them plan bigger advertising budgets.

Paul V. West, president of the association, emphasized that intelligent advertising and sound merchandising are needed as never before and he urged that "we put the emphasis on intelligent and sound." They will now as always bring results.

PEACE?

"PEACE on the continent" is said to be the watchword of the German foreign office. To get the so-called peace the Germans have ruthlessly attacked their neighbors, disregarded pledges and run roughshod over natural rights of individuals.

Suppose that peace is made, under the impact of the German military triumph. How long will it last? Does Germany expect all peoples of Europe to acquiesce in Teutonic supremacy and be content forever with the humble role of servant to the superior Germans?

Roland Wall, State W. P. A. Administrator, in recounting the accomplishments of the W. P. A. in Mississippi during its 5 years of operation, states that the W. P. A. has constructed, reconstructed, or improved about 12,700 miles of highways, roads and streets. Rural farm-to-market roads projects have predominated, the total on rural roads worked, being 11,865.

The selective draft drawing is over, the presidential election is past, now all we have to look forward to is Thanksgiving on November 21, and Christmas Day, plus the January 1st bills, and resolutions.

DEMOCRATIC CAMPAIGN ONE OF PEACE AND MAJESTY.

RADIO listeners on the eve of Tuesday national election were impressed with the tenor of the speeches and other addresses delivered that evening by campaign speakers and private citizens in the interest of Mr. Roosevelt.

In fact, this has been the tenor of the campaign. Clean and above board. Such attitude by leaders of our country are inspiring and teaches a lesson to the younger folk.

Every address and utterance was characterized by the majesty of dignity. Conservatism was the spirit. There was no attacking the opposition, no flaying, no castigation, no attempt to expose the shortcomings of others, if there were any, and in all, it might well be said the administration's campaign has been orderly and above reproach.

If there were utterances otherwise, they were sporadic, and came from what might be termed private sources; other besides that coming under the direct auspices of the National Democratic Committee.

This makes for peace. That quantity and quality of living we are valiantly striving for and that we are exerting every influence to attain.

Happiness has no greater price. And it is peace we are hoping for; that we will not only reach as the ultimate goal but that it will remain for all time and down the transcending years.

The future is not only ours but for our boys and girls. They will soon be the men and women taking their respective positions in life. With peace we build for them a position of security and a place of safety. We live that others may live. We build that others may benefit by the fruit of our labor and economic endeavor.

NO REPRISALS, SAYS MR. FARLEY.

FORMER Chairman James A. Farley of the National Democratic Committee in his address about midnight on the evening of election assuming from figures revealed that Mr. Roosevelt had been elected president, made a plea for American unity.

While this was good thought, pretty figure of speech and not amiss, yet it was hardly necessary for America is today united in the form of democracy like never before. We Democrats and others of the democratic following abide by the will of the majority. The country has never been otherwise following a national election.

There is no reason for doubt that the millions of good citizens who honestly and sincerely voted for Mr. Willkie will support the President and co-operate with him to the fullest extent. This is a great country we live in—the greatest in the world. It is due to this spirit of co-ordination and general unity that we are such.

Mr. Willkie, too, will subscribe to this spirit just as the good patriot will do. It is refreshing to live in a country when the day after election all possible bitterness generally injected into a campaign of such magnitude, is forgotten the next day.

Mr. Farley, and this is significant, said there would be no reprisal. And Mr. Farley knows what he is saying. Certainly there will be no reprisal. It is not the way of the administration, not the way of the country. We live in a great democracy. And the secret of its success is due to the fact of our unity, and because there is and there will be no reprisal.

We are one for all and all for one.

"IT'S AN ACCIDENT."

"IT'S an accident," is a phrase that explains the death of 93,000 Americans last year and the injury of 8,800,000 additional citizens.

Experts are studying every day to discover methods of avoiding accidents on the highways, in factories, in homes, on farms, and in schools. Their work deserves the cooperation of every intelligent person. This means that we should attempt to take advantage of all suggestions which might enable us to avoid accidents.

The highway seems to be the scene of the greater number of accidents. This should not be the case inasmuch as highway commissioners and other authoritative sources have provided for seemingly all precaution possible.

The writer, just returned from an auto trip that the speedometer registered over 6000 miles, saw great highways of concrete, through vale and mountain and at no place were there lack of markers, signaling possible danger and providing for every precaution possible.

The line through the center of the road, signs telling of curves and narrow bridges, overpasses and underpasses, built at the cost of small fortunes, are all elements for safety. And he or she who does not take heed of these is hardly responsible to drive a car. The man or woman who speeds without warrant not only jeopardizes his or her life but subjects others in the car to danger and death.

"I am sorry," or "I did not know how it happened," have not only no meaning after tragedy, but are empty words and likened to that uttered by a lunatic.

Caution is a wise investment. It is good sense. And means for better things and possibly for longer life.

A SALUTE TO GREECE.

LET'S give a hand to the Greek government and the brave people of the small Balkan state!

In the face of an Italian ultimatum the ancient inhabitants of the cultured land made their choice and decided to fight for their liberty.

It may be too much to expect great victories for the Greeks, even with all the assistance that the British can render, but, just the same, they have faced the initial test with courage that deserves admiration.

The Game and Fish magazines for October issued by the Mississippi Game and Fish Commission carries a very useful article on "What to Do When Lost." One paragraph states: "With or without emergency equipment, the first thing to do when lost is to sit down and try to figure out where you are. A little head work can save a lot of foot work."

MANY JOURNEYED TO ORLEANS SUNDAY TO ATTEND GAME

Stanislaus and Jesuit Squads Attract Many From Bay St. Louis and Coast.

A large motored car with a splendid representation of football fans from Bay St. Louis and the entire Coast flocked to St. Stanislaus College on Sunday at noon and journeyed to New Orleans to witness the annual gridiron clash between the St. Stanislaus Rockchaws and the Jesuit Blue Jays, always one of the most interesting games of the season.

St. Stanislaus team and members of the faculty and student body travelled in busses and cars, while hundreds of Bay St. Louisians made the trip via Louisville and Nashville Railroad to New Orleans.

The game was played in City Park stadium filled to capacity, and the colorful bands of the two teams parading on the grounds and the antics of their drum majors along with the lively cheering of their cheer leaders gave a festive air to the occasion. Crisp and beautiful weather added to the day.

St. Stanislaus College along with the other Coast teams have suffered several defeats this season and despite the fact that the team's hopes for victory were not too high against their powerful opponent, Coach Burge's team went down in defeat with a score of 21-0.

Fire On Third Street Sunday P. M.; Covered by Insurance.

On Sunday afternoon, Bay St. Louis Fire Department was called to quell a fire of undetermined origin which occurred in a house on Third street between Sycamore and Washington streets and caused damage to the kitchen and pantry.

The house was owned by Mary E. Moss, colored, and damage was covered by insurance.

ROSE GARDEN ESCAPES SALT WATER DRENCH.

Particularly notable is the fact Bro. Peter's thousands of rose bushes, front garden premises St. Stanislaus College, escaped the recent salt water drench from the waters of the bay and sound on occasion of recent storm and are blooming just now in the most prolific manner. This is notable in view of the fact practically every garden along the beach front was seriously damaged by the salt water spray as the wind blew over seawall and front road, damaging shrubs and trees as well. This garden of thousands of rose bushes is an example of what is possible to be accomplished here by intelligent application and effort born of a deep-rooted fondness for flowers and the beautiful.

WHAT'S Your TELEPHONE SCORE?

Most people realize the business and social value of a pleasant telephone personality, and a seemingly gruff or hasty manner is usually just thoughtlessness. Since this seems to be the age of quizzes, how about a short one on some points of telephone usage?

Do You Talk Directly Into the Telephone?

The proper way to use the telephone for best results is to hold the transmitter directly in front of the lips while you are talking.

Do You Speak Pleasantly?

Remember...it may be your best friend or your best customer. Great him as pleasantly as you would if you were face-to-face. Pleasant people get the most fun out of life anyway.

Do You Hang Up Gently?

Thoughtlessly slamming the receiver may appear like an act of discourtesy to the person to whom you have been talking. You don't mean it, of course, but it may leave the wrong impression.

Do You Talk Naturally?

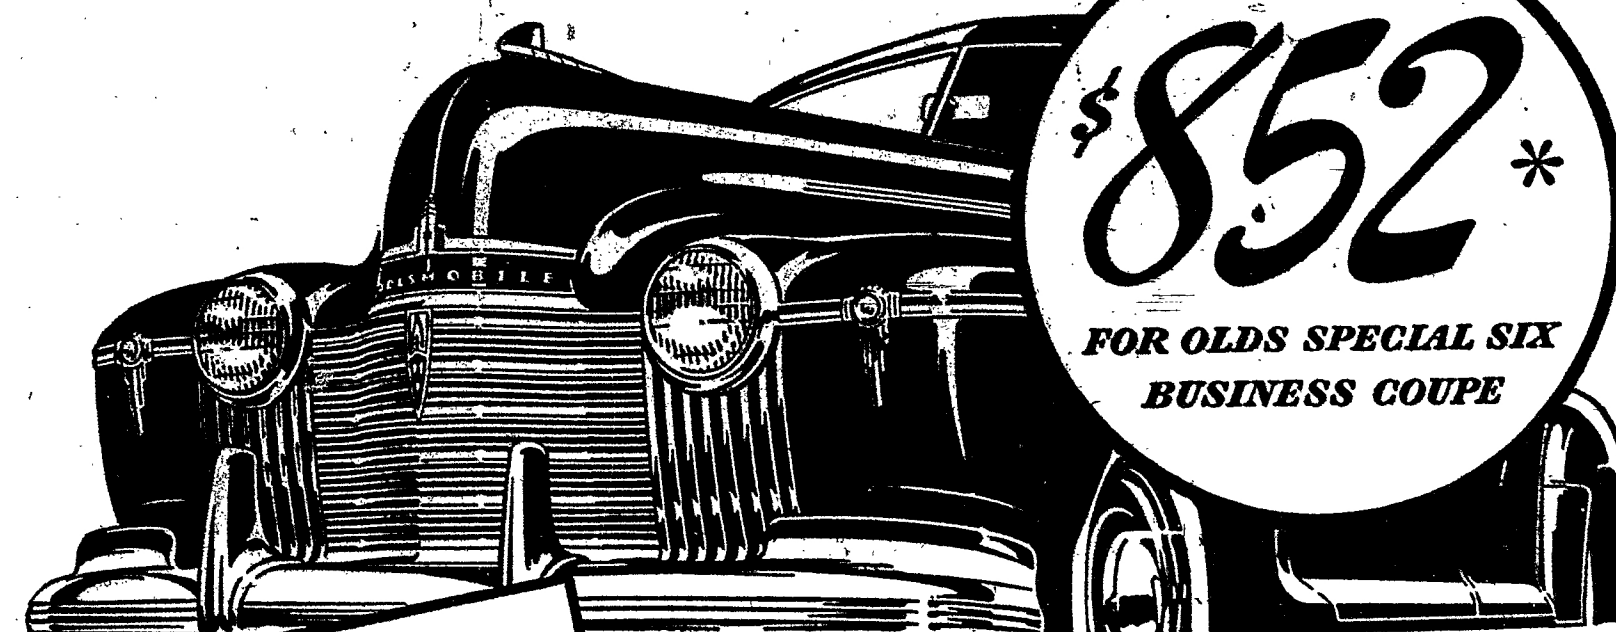

Normal tone of voice is best. Whispered words are indistinct. Shouting distorts the voice and may make it gruff and unpleasant.

Many, many times you form your impression of people—and they judge you—by the sound of a voice over the telephone.

Congressional Sidelights by Congressman Wm. M. Colmer

CONTROL OF THE HOUSE.

In the hullabaloo growing out of the Presidential race the struggle for control of the House of Representatives in the next Congress has outcome might prove to be almost as important as the choice of President.

The present Senate has 69 Democrats, 24 Republicans and 3 members of other parties. There are 35 Senate seats to be filled. Of this number 25 are now occupied by Democrats, 5 of whom are from the Solid South. If the Republicans captured all the others, they still would fail to gain control of the Senate.

But in the House an entirely different situation exists. In this Congress there are 261 Democrats, 170 Republicans, and 4 members of minor parties. All House seats, rather than only a third as in the Senate, are at stake in the coming election, and the Republicans need to gain only 50 to get control of the House. If they should succeed the President, whether he be Roosevelt or Willkie, could not be sure of support in Congress.

In 1932, when President Roosevelt was first elected, the Democrats won 310 of the 435 seats in the House. In 1934 they added 9 more, and in 1936 they made a further gain to bring their membership to 333. But two years ago the Republicans gained 80 seats almost doubling their membership from its low of 90 in 1936. In the 1938 election there were 193 districts in which the victor received a majority of less than sixty percent of the vote, and it is here that the fight is hottest this year. The decision of the voters in these districts will go far toward determining the policy of our country during the next few years, regardless of who is elected President.

Civil Liabilities of Trainees.

One of the questions raised by the passage of the selective training and service act is what is to be done about the financial obligations of trainees. To meet this problem Congress has passed a bill authorizing the courts to suspend the operation of contracts, leases, and other civil obligations trainees unable to continue payments out of a trainee's pay.

Some of the more important provisions of the bill are as follows:
1. Clothing, furniture, or other property bought on installments cannot be taken away from a trainee without a court order.
2. The same is true of automobiles if more than 50 per cent paid for.
3. If the trainee cannot pay his rent, his family cannot be evicted for at least three months, and then only on a court order. If a landlord goes ahead with eviction without court permission he is subject to a \$1,000 fine and imprisonment.
4. The Government will protect

up to \$5000 any life insurance policy, by adjusting the payments due. This applies only to life insurance.

5. Sale of land for taxes which the trainee is unable to pay is prohibited, except upon leave of the court granted upon an application of the tax collector. The court may then stay the sale for a period ending six months after the termination of his training period.

6. The court will appoint a lawyer to represent without charge men in service in these court proceedings.

BEERY COMING IN
THUNDERING FAST
ACTION THRILLERFights Indians and Cattle
Thieves in "Wyoming"

"Wyoming" starring Wallace Beery in an action-packed outdoor drama of the West is the attraction coming to the A. & G. Theater, Sunday and Monday, with Beery in mingled thrills and comedy, as was the case in "Bad Man of Brinsford," another outdoor adventure drama in which he starred.

Beery plays Reb Harkness, former train robber, who turns leader of forces of law and order in a pioneer Wyoming town, helps rout a band of cattle thieves, aids General Custer in his fight against the Indians, and stages a thrilling rescue of Ann Rutherford and Bob Watson. Amid the thrills runs a comedy romance between Beery and Marjorie Main, playing the town's "lady blacksmith," which is one of the funniest episodes since "Min and Bill." The picture was filmed on location at Jackson Hole, Wyoming, amid the majestic Tetons. Richard Thorpe directed.

Players include Leo Carrillo, Lee Bowman, Paul Kelly, who plays General Custer, Joseph Calleia, Henry Travers, William Tannen, Stanley Fields, Sara Haden, Russell Simpson, Chief Thundercloud and others. Several hundred players appear in Indian fights, cattle raids and other exciting episodes.

\$9,251,144 Paid 246,608
Farmers Over Mississippi

Jackson, Miss., Nov. 2.—Parity payments totaling \$9,251,144 had been made to 247,608 Mississippi farmers through October 31, T. M. Patterson announced Saturday.

The payments, made to Mississippi farmers for co-operating in the 1940 AAA program, will total more than \$12,000,000, Patterson said. Distribution of conservation payments will get underway about the time the parity payment program is completed.

Patterson said that with a short cotton crop this year, parity and conservation payments under the AAA program form an important part of the farmers' total cash income and will do much to tide farmers over a bad crop year.

Bolliver county leads in number of producers and amount of money received, with a total of \$933,555 going to 12,108 producers. Sunflower is a close second with \$897,276 going to 11,697 producers.

A Gentle Laxative
Good For Children

Most any child who takes this modern laxative once will welcome it next time sluggish bowels have him bilious, headachy, listless or upset. Syrup of Black-Draught's fine flavor appeals to most children. By simple directions, its action is usually gentle but thorough. Principal ingredient helps tone bowel muscles. Two sizes: 50c and 25c. Next time, use Syrup of Black-Draught.

SPECTACULAR GAINS
MADE IN NEW ORLEANS
DESPITE WORLD WARPort's Exports Soared on
Valuation Basis With Opening
of Hostilities.

There has been a spectacular increase in the value of exports moving through the New Orleans customs district since the start of the current European War, an increase far exceeding the upturn experienced by the port the same period after the outset of the World War in August, 1914.

Here is how New Orleans' exports, on a valuation basis, soared with the opening of serious hostilities in Europe last September.

The value of goods exported from September through December thru the New Orleans district totaled \$88,819,252, compared with \$69,991,421 during the same four months of 1938. The increase is well over 45 per cent.

The valuation exports during the last five months of this year totaled \$118,032,733, compared with \$57,665,360 during the same period of 1939. This increase exceeds 100 per cent.

Exact comparisons of export upturns through New Orleans at the outset of the World War and the current war are a bit difficult to obtain from Department of Commerce data at the local office. In 1914 exports through this customs district totaled \$3,880,737 tons valued at \$180,832,746. That reflected the influence of nearly five months of general European conflict.

During 1915 exports here reached 3,764,611 tons, valued at \$218,874,452, an increase of 21 per cent over the preceding year.

Schedule Is Given
By AAA Assistant

In order to avoid confusion and inconvenience to residents of the county, S. J. Randall, Harrison county administrative assistant for the AAA program, today announced that he will be in the county agent's office at Gulfport on Monday, Wednesday and Friday, of each week to discuss problems and functions of the program with interested individuals.

On Tuesday, Thursday and Saturday, Randall will maintain an office in the county agent's office in Bay St. Louis for the same purpose.

Farmers who intend affiliating with the AAA in 1941 are advised that today is the opening day for registering under the provisions of the program. Registration closes on February 1, Randall stated.

Al Voight, Chevrolet
Dealer, Goes to Dallas
For Important Meeting

A. E. Voight, chairman of the Mississippi and Louisiana Chevrolet dealers planning committee has been called to Dallas for a general meeting with other zones in the Southwest region to confer with Chevrolet officials on plans and policies best suited for wholesale and retail operations between factory and dealers. This being part of a plan of factory-dealer planning management introduced by the Chevrolet factory four years ago to the end that Chevrolet customers be better served. Mr. Voight having been a member of this planning committee since its inception.

This outstanding representation is an advertisement for Bay St. Louis of no mean proportion and to Mr. Voight the honor amply and justly fits.

—Mr. and Mrs. Laurent L. Kergosien having sold their home out Blue Meadow Road, on the shores of Jordan river waters, have leased the beach cottage owned and formerly occupied by Robert L. Genin and family. The place is undergoing renovation preparatory to receiving its new tenants.

—Hancock County Board of Supervisors met Monday in regular monthly session and adjourned until Wednesday for the reason Tuesday was election day and Monday morning chancery court for Hancock had convened. The Board has been in session since Wednesday and will continue thru the month as business may demand.

—Miss Rita Bopp, attending University of Alabama, at Tuscaloosa, spent the week-end visiting at the home of her parents, Chief Deputy Sheriff and Mrs. F. J. Bopp. Her young friends and older ones as well were glad to see her back home and to note how well she is looking, in addition to learn of her studies with marked success.

—Dr. James A. Evans spent Wednesday in New Orleans to be present at an operation for the removal of cataract from the eye of his venerable and well-known father, Mr. J. A. Evans who frequently visits his Bay St. Louis. There is every reason to believe the operation will be successful according to indications it was said.

—Membership Red Cross drive is on and the workers are out soliciting the annual dollar dues. A full list of solicitors was published in last week's issue of The Echo. If the solicitors have not as yet called on you your subscription would mean so much more if made voluntarily. That is, without personal solicitation. Send your dollar today. Humanity has no greater cause.

—Mr. Charles P. Dunbaugh, who left here about a month ago, accompanied by Mrs. Dunbaugh and her sister, to seek further advice of specialists in his former home city of Chicago, after a stay for observation in a New Orleans hospital, is reported to be in a hospital preparatory to quite a serious abdominal operation. His condition is quite serious it is reported, but attending physicians are hopeful of favorable results.

—Reports from the various people who left Bay St. Louis during the early fall for the various universities are to the effect they are making satisfactory progress and exceeding average expectations. Young Frank (Peter) Juden, attending Georgia Tech, note from college prints has made high grades in his studies, getting double A in algebra and scoring high in other studies. A lover of the opera and possessed of voice, he was appointed one of the major committees for the operas, has been asked to join the university vocal set-up and will journey with a number to New York City, representing Georgia Tech. For a freshman this is considered an unusual recognition.

—Mr. Frank B. Pittman, former county agent for Hancock county, and widely and favorably known in this section, now residing in Jackson, Miss., was a visitor to Bay St. Louis Wednesday, mingling with friends and acquaintances in general. While Mr. Pittman still retains and operates his farm near Picayune, in Pearl River county, he resides with family at the capital and visits the farm frequently. He is actively connected with Mississippi Forestry Association, seeking and promoting the better interest for forest preservation. He says fires compose 90 per cent of the problems. Selective cutting of timber now helps to conserve and with legislation the Association has fostered and since now applied the work of conservation is improved more doubly than heretofore.

—Members of the board of directors held their regular monthly meeting Monday morning at the hospital, with Mrs. A. F. Fournier, the energetic and efficient president, in the chair. The routine affairs of the hospital were discussed and disposed of and the report for the past month proved of much satisfaction, the hospital serving well and to a wide extent. Miss Ida Edwards, R. N., has been appointed executive assistant to the superintendent, Mrs. Craft, for the balance of the year. On account of absences, a full board was not present, however, there was amply the necessary quorum. Completion of the new roof, closing in side openings of a rear porch, to make it habitable the year round were noted the latter a vast and most servicable improvement. It is interesting and gratifying to note the fine work accomplished by the local hospital. Local physicians, fully co-operating have contributed considerably to this success.

—Miss Jane Juden returned home last week from Baptist Hospital, New Orleans, where she underwent an operation for the removal of appendix, and has so well convalesced that she returned this week to her duties as coach at St. Joseph Academy, her recovery from the surgical ordeal being one of unusual short a time. Her return to the academy and convent was a signal for much joy and satisfaction with pupils and faculty as well, where she is not only popular and beloved, but where her efficiency and ability as coach has proven most telling.

—The Regular Monthly meeting of the Parent-Teachers Association of Central High School will be held at the school on Tuesday, November 12th at eight P. M., and as this will be Fathers' Night, all mothers and fathers are urged to attend.

—An interesting evening is planned with a program on Happiness.

—The Girl Scout Troop recently formed among students of St. Joseph Academy now numbers considerably with Sister M. Adele and Sister M. Grace in charge. They are now awaiting their uniforms which have been ordered.

—A most enjoyable hike was taken by members of the troop recently when they gathered wild flowers and insect specimens and rested on the grounds of the Pines which they built camp fires and roasted marshmallows and rested after eating their lunches.

—The troop plans a number of interesting activities and is progressing very well.

News Notes From Aaron Academy Recreation Center Activities.

The Recreation Center at the Aaron Academy School is fast becoming the meeting place of all the members of the community, young and old. There are activities such as quilting parties, handcraft and games for adults, and games and handcraft for children.

On Halloween there was a party at the center under the leadership of Mrs. Gertrude Thigpen, WPA worker, and it was a success in every way. Every detail was carried out in Halloween spirit with Miss Alina Miller acting as the witch, and Mrs. O. T. Pitts as a fortune teller, both so cleverly costumed that they were not recognized by their own friends. There was a planned program of games and stunts which was enjoyed by all present.

The ladies of the community served refreshments to all. This party had the largest attendance of any event ever held in this community and shows the fine spirit of co-operation in the community.

The council has recently provided equipment for this center and all are invited to come out and enjoy the activities. There is a special event every Thursday night followed by a community sing.

GASTON TELHARD TAKEN TO NEW ORLEANS.

Gaston Telhard well known locally and one of the few remaining taxi men of other days, was conveyed to New Orleans hospital during the week a very sick man. He was so pronounced after a thorough examination. It was said he was victim of lung involvement and his heart was in bad shape. According to current reports he is a very sick man and his condition gives little hopes. He resides on State street.

YOUNG RESIDENT ENLISTS.

J. C. Roland, son of Mr. and Mrs. J. C. Roland, residing on State street, and well known and prominent residents of our city, left Wednesday morning for Fort Benning, Ga., where he has enlisted in the quartermasters corps, U. S. A., for a term of three years.

The young man is tremendously popular and left followed by the best wishes of the community. For several years he served as an attaché of the Hancock Bank, Bay St. Louis, and until recently held position with governmental interests at Gulfport. He is a grandson of the late Mrs. Charles A. Breath.

LOCAL SELECTIVE DRAFTBOARD ISSUES NOTICE TO DRAFTEES

A notice to registrants and to the public has been issued and posted by the Hancock County Local Draft Board, signed by Laurent Dickson, member Board.

It was issued Wednesday and reads in part as follows: It is published by the Echo for the information it carries:

Mailing a questionnaire (Form 40) by the Local Board to the registrant is notice that the process of "classification and election" with regard to registrant has begun.

This Local Board keeps in its office a Classification Record. On this Classification Record will be entered the date each action is taken by this Board or the Board of Appeal concerning each registrant.

Either the mailing of a notice or the entry in the Classification Record of the date the notice was mailed shall constitute notice to the registrant and all concerned. This is true whether or not the mailed notice is actually received by the person to whom it is addressed.

Any person required by law to register, or any registrant, who fails to perform a duty required by the Selective Training and Service Act of 1940, within the time provided by the law (generally 5 days), has violated the law. A person violating the law is subject to trial in the United States District Court, which may impose a fine of imprisonment, or both.

All registrants and other persons concerned should examine from time to time the notices posted by the local Board and the Classification Record.

The Classification Record is open to inspection by the public during the Board's business hours.

Miss June Breath Captures Ten Spot And Box Of Candy.

The box of candy in the form of a cedar chest containing a ten dollar bill and which formed such a lively contest was awarded on Wednesday to little Miss June Breath, daughter of Mr. and Mrs. Charles Breath, Jr.

The box of candy was generously donated by Mrs. A. Trapani and the contest was sponsored by the S. J. A. Parents Club and a handsome sum was netted by this means.

The school children worked extremely hard for the success of the contest, with the seventh and eighth grades bringing in the largest amount and the fifth and sixth grades bringing in the second largest amount.

Three little girls whose efforts brought in astounding results and who were given handsome prizes for their hard work were Anna Pitolo, first prize; Rosemary Dick, second prize and Carmencita Perez, third prize.

A. E. Voight Receives Bronze Plaques In Recognition of Service

A handsome bronze plaque has been received by A. E. Voight, local Chevrolet dealer, for 1940, as an outstanding member of the Chevrolet Dealer Planning Commission, "a planning partnership toward higher merchandising principles."

The plaque, with Mr. Voight's name engraved thereon, carries the inscription: "In appreciation of your wise council and contributions made to the Chevrolet wholesale and retail organizations in their cooperative planning products and policies to the end that Chevrolet dealers may be better served."

The plaque is a handsome get-up and well worthy of the significance it carries.

ACADEMY PUPILS ENJOY WEINER ROAST.

The Seventh and Eighth grade pupils of St. Joseph Academy with their teacher, Sister M. Albina, enjoyed their Halloween party in the form of a weiner roast under the oaks in the rear of the Convent yard.

After the weiner roast, refreshments were served and games played.

The children enjoying the party were Anna Pitolo, Alma Ploue, Charline and Myrtle Martinolich, Evelyn Tudury, Rosemary Trenticosta, Aleciadell Bennett, Ruth Tucker, Audrey Poolson, Vicenta January, Julie Elliott, Ruth Perre, Carmencita Perez, Udell Favre, Gloria Saucier, Lena Luc, Patsy Favre and Rosemary Piazza.

Personal and General

UNUSUAL balmy weather of the late Fall here on the Mississippi Coast, with colorful chrysanthemums and other flowers of the season blooming in profusion and the outdoors inviting, there has been considerable activity in the trend of social pursuit.

Many small parties take place daily and outings are not unusual. This and last week witnessed the assembly of groups in various party past time, cocktail, bridge and luncheon parties are in vogue.

Today, this Friday morning, Mrs. Wallace M. Catchings has issued invitations to a coffee party at her handsome residence on the beach boulevard, to which many are invited and will prove one of the enjoyable affairs for which Mrs. Catchings' successes are noted.

On Wednesday afternoon, of next week, from 4 to 6 o'clock, Mrs. Bonck, who resides in her own beautiful new dwelling in Bay Court, will entertain at cocktails to which cards have been issued. This promises to be one of the larger affairs of next week. Cocktail parties are back more popular than ever and always provide for an afternoon of social contact when cards are not played.

Out-of-town guests will mingle with local friends.

Mrs. John N. Stewart and Miss Elaine Mogabgab have returned from a pleasure trip to New York City. The ladies negotiated the trip to and fro by bus as an unusual experience and enjoyed the trip immensely, stopping off at various points and visiting points of interest.

AFTERNOON BRIDGE PARTY HONORS MRS. EDOUARD C. CARRERE.

Mrs. Harry C. Glover, one of the popular matrons in Bay St. Louis social circles, was hostess Monday afternoon to an afternoon at bridge, at Reed Hotel, gun parlor, honoring Mrs. Edouard C. Carrere, of Waveland and Bay St. Louis, on the occasion of the eve of her birthday. This thoughtful and pretty gesture on so happy an occasion proved one of the most enjoyable affairs of the season, as it was marked with a spirit of thorough enjoyment and proved so to its very conclusion late that afternoon.

The decorations on each of the tables where the party was served at a later hour in the afternoon were composed of cut flowers, roses predominating and as a touch of autumn and reminiscent of the harvest season large clusters of golden marigolds were conspicuously contrasting.

There were two tables of players, the high scorers of each table, Mrs. C. J. Chadwick and Mrs. Camerun, respectively, receiving lovely chair pillows of lovely texture and color. Mrs. Carrere received as the honor prize a coral necklace of more than ordinary beauty.

Attending this Mrs. Glover's lovely afternoon function were Mrs. C. J. Chadwick, Mrs. E. F. Favre, Mrs. F. J. Bopp, Mrs. Joseph R. Schmitt, Mrs. John W. Bryant, Mrs. Chas. G. Moreau and the honoree, Mrs. Carrere.

Mrs. Harrison, hostess Hotel Reed, was complimented on the artistic arrangement of every detail, adding to the success of this lovely affair.

COCKTAIL PARTY HONORING MRS. F. W. TRASTOUR ON BIRTHDAY.

On last Wednesday evening Mr. and Mrs. S. M. Mayer entertained at a large cocktail party during the hours between seven thirty and eleven at their home on St. Charles street which was given in honor of their daughter, Mrs. F. W. Trastour, on the occasion of her birthday and which was a complete surprise to Mrs. Trastour who had been in New Orleans for the day.

The reception rooms of the Mayer home were lovely with cut flowers all about, and in the large dining room, with a centerpiece of African daisies a buffet supper was served with an abundance of delectable dainties and beverages.

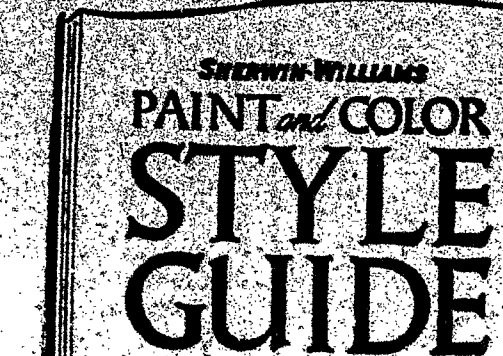

The guest list included Mr. and Mrs. Alfred Vassalli, Mr. and Mrs. Walter J. Gex, Mr. and Mrs. Milton Phillips, Mr. and Mrs. L. M. Gex, Mr. and Mrs. Horace L. Kergosien, Mr. and Mrs. Joseph R. Schmitt, Mr. and Mrs. Bernard Blaise, Mr. and Mrs. Ulysses Cuevas, Mr. and Mrs. Leo W. Seal, Mr. and Mrs. Emmett Betzer, Mr. and Mrs. E. J. Arceneaux, Mr. and Mrs. John W. Bryant, Mr. and Mrs. E. C. Carrere, Mr. and Mrs. Louis Riech and Mr. and Mrs. Charles Betz, Jr., of New Orleans, Mrs. Harry Bonck, Mrs. Sarah Power, Mr. and Mrs. Cliff Ferrell, Misses Muriel and Clara Kergosien, Mayor and Mrs. G. Y. Blaise, Dr. and Mrs. Alvah P. Smith and Miss Elsie Mae Smith, and a few others.

DANCE AT THE J. A. EVANS' HOME ON BIRTHDAY OF SON, JAMES, JUNIOR.

The home of Dr. and Mrs. James A. Evans on North Beach boulevard was the scene on Halloween of a most enjoyable Halloween party and dance given for their son, James A. Evans, Jr., on the occasion of his fourteenth birthday.

Decorations and party refreshments and games in the Halloween theme were enjoyed by the following young people: Anne Smith, Ruth Gray, Betty Lee, Mitchell Jean Robin, Shelby and Anne Weston, Virginia Seal and Audrey Thomson, the latter of New Orleans, and Gaines Kergosien, Billy Landry, H. D. Kirkpatrick, Jr., and Andrew Kirkpatrick, Jack Bourgeois, Roger Rob, Menou and Donald Arceneaux, Fred McDonald and Edward Porter.

HALLOWEEN PARTY BY MRS. WALLACE CATCHINGS FOR YOUNG GAYNELL GEX.

Mrs. Wallace Catchings entertained a merry little group of girls on Halloween at her home on South Beach boulevard in honor of her niece, Gaynell Gex, when a marshallmoo roast was enjoyed over a huge bonfire in the yard of the Catchings' home.

The reception rooms of the home carried Halloween reminders in the colors of black and orange and party refreshments were enjoyed.

Those enjoying the party besides Gaynell were Virginia Seal, Barbara Ann Trastour, Jeanne and Nannette Arceneaux, June McConnell, Jean Robin, and Mary Lou Bourgeois.

MISS MARY KITTRELL GIVES BUFFET SUPPER COMPLIMENT TO MISS EVANS.

A party of young friends and classmates of Miss Alice Virginia Evans, daughter of Dr. and Mrs. James A. Evans who is recuperating at her home here after a recent appendectomy, motored over from New Orleans on Sunday afternoon and dined in the Evans home. In the party were the Misses Gene Mitchell, Dora Chaudron, Bill Johnson of New Orleans, and Mrs. Jurist of Port City, Tenn., and Margaret Stevens of Alexandria, La.

The young people were entertained at a buffet supper in the evening when Miss Mary Kittrell also joined them.

THE S. J. CARRERES ENTERTAIN AT BIRTHDAY PARTY FOR YOUNG SON.

Mrs. S. J. Carrere entertained on last Thursday evening at a Halloween party at her home on Carroll avenue for her little son, Gary and James between the hours of six and eight o'clock.

The children were entertained at a buffet supper with a Halloween theme and with the usual merryment of hooted ghosts and goblins scuttling about town. The usual pranks were played and common sense and fair dealing was not forgotten by the pranksters.

Nineteen little boys, friends of Gary and Jimmy, enjoyed the games and apple ducking.

Halloween was celebrated on last Thursday evening with a number of parties and hunts and with the usual merryment of hooted ghosts and goblins scuttling about town. The usual pranks were played and common sense and fair dealing was not forgotten by the pranksters.

Mrs. Alice C. Buckley To Address Garden Club Thursday, November 14.

The Bay-Waveland Garden Club will hold its November meeting at the Reed Hotel on next Thursday, November 14th at 3:30 in the afternoon and all members are urged to attend.

As the month of November begins the new year and the Garden Club enters into its third year an interesting meeting has been planned with Mesdames E. C. Carrere, F. J. Bopp and Harry Glover as co-hostesses. Mrs. Alice C. Buckley will speak before the club on the subject "Wild Flowers of this Section" and every member attending is requested to bring a specimen of wild flower which will be discussed.

BAY WORKERS AT CAMP SHELBY.

Among Bay St. Louisians who have gone to Hattiesburg and are engaged in work on the buildings of Camp Shelby are Harold Johnston, Edward Fayard and John Ploue, who returned here each Saturday and spend the week end with their families. They state that conditions about the camp are much the same as those about oil towns enjoying booms and while excellent pay is given for work, prices for living quarters and other expenses are equally high.

Gallup scouts theory that voters join bandwagon on candidate.
